RE: How Yukon Housing Corporation Accommodates Tenants with a Disability

Can I get the numbers of people currently waiting for Yukon Housing Corporation units?
Does the minister have the breakdown of the number of seniors out of the 248 in Whitehorse?

Out of the 248 people on the Yukon Housing Corporation waitlist, how many would the minister hazard a guess at are requiring low-barrier housing?

The response is as follows:

As of August 2018, the waitlist for Social Housing in Whitehorse was 248.

Out of the 248 clients on the social housing waitlist for Whitehorse, 103 are seniors.

Roughly 30% of the clients on the waitlist have mobility challenges and require accessible housing.
